

## **Indivior PLC Announces Research & Development Day on December 9<sup>th</sup> in New York.**

**Slough, UK, 8<sup>th</sup> September 2015** – Indivior PLC today confirms that its R&D Science Day will now take place on December 9th in New York. This replaces the provisional date in October.

Commenting today, Christian Heidbreder, Chief Scientific Officer, said: -

"We very much look forward to our first opportunity to share with investors the complex science of addiction and how we are working to develop an industry-leading pipeline to address various aspects of addiction and related co-morbidities. This event will give us a chance to increase understanding of addiction in pursuit of our mission of widening access to treatment."

Further details of the event will be published nearer the time, but it will be webcast so that investors globally who cannot travel to New York will be able to participate.

### **About Indivior**

Indivior is a global specialty pharmaceutical company with a 20-year legacy in patient advocacy, health policy and evidence-based best practice models that have helped to advance modern addiction treatment. The name is the fusion of the words individual and endeavor, and the tagline "Focus on you" makes the company's commitment clear. Indivior is dedicated to transforming addiction from a global human crisis to a recognized and treated chronic disease. Building on its global opioid dependence portfolio including SUBOXONE® (buprenorphine and naloxone) Sublingual Film (CIII), SUBOXONE® (buprenorphine and naloxone) Sublingual Tablet, and SUBUTEX® (buprenorphine) Sublingual Tablet, Indivior has a pipeline of product candidates designed to both expand on its heritage in this category and address other chronic diseases of addiction – including opiate overdose, alcohol use disorders and cocaine intoxication. It also is pursuing novel product candidates in related mental health disorders such as schizophrenia. Headquartered in the United States in Richmond, Va., Indivior employs more than 700 individuals globally and its portfolio is available in over 40 countries worldwide.
